A good balance of Understanding Design and Business Acumen.

I met Mr. Bhavin Khatri of Shilpi Designer in 2014, and now having worked with him for over 3 years, I have a more personal relationship with him. Having seen him build his core competencies as a Interior contractor, I can say with no hesitation that he is one of the best I have ever had the pleasure of working with.

As a trained designer, his projects are executed with an acute attention to detail and aesthetic, which is further honed by his Gujarati business acumen. He is extremely organized with his craft, and it is an immense pleasure to work with him and his well trained team.

With a youthful zeal for his profession, his ability to manage sites across India and to deliver the best is outstanding.

I would like to wish Mr. Bhavin Khatri and Shilpi Designer a great future.
